MEET ANYWHERE
Host and join meetings wherever you go with the MEET desktop and mobile apps

MEET SECURELY
MEET enables HIPAA compliance and offers end-to-end encryption for all meetings using WebRTC standards

Built in collaboration tools and screen sharing make it easy for participants to share content in real-time for more productive meetings.

All UNIVERGE BLUE MEET plans include:

> **HD video:** 720p HD video conferencing with up to 4 web-cams for ESSENTIALS package and 30 for PRO and PRO PLUS

> **Audio:** Conference call numbers and PINs are provided, so participants can join by phone or computer

> **Screen sharing:** Share your screen for more interactive meetings

> **Screen annotation:** Meeting participants can call out important points on a shared screen in real-time during a meeting

> **Unlimited meeting durations**

MEET PRO and PRO PLUS plans also include:

> **Meeting transcripts and insights:** Meeting hosts can transcribe recorded meetings and AI technology automatically identifies actionable items

> **Notes:** Capture meeting notes in realtime–notes are automatically sent to all meeting participants

> **Remote control:** Give participants direct control of your keyboard and mouse so you can collaborate better together

> **Customize:** Change the look and feel to your own branding

> **Record:** Easy one click, unlimited recordings of all your meetings

Upgrade to MEET WEBINAR and support from 100 to 1000 attendees and get added capabilities such as registration pages, email reminders, live polls, and emojis to gage audience reactions
